

Valwood Middle School

Supply Lists

2024-2025

Open House: August 6, 2024 from 3 - 5 pm

Below are the minimum supplies needed to begin the Middle School year. Teachers may ask for inexpensive additional items after the school year begins, but this will help you get organized and started. **Take a binder with paper or subject notebook, pencils, pens, case/pouch, and other supplies needed with you to each class every day.** You may not need to carry all the pencils, pens, glue sticks, or other supplies with you on the first day. You should keep the extra materials in your locker. We will ask you in January to restock some of their supplies for the 2nd semester, if needed.

NOTE: *Please do not bring rolling book bags unless you have a documented medical reason. We do not have storage for these in our building, and they will not fit in the lockers.

Organization is important for middle school students. We recommend these binder colors for each subject, if available.

Red - Math

Green - Science

Black - Composition

Orange - Spanish

White - Social Studies

Blue - Literature

Sixth Grade

- (1) box of blue or black ink pens (All classes)
